

OFFICE OF THE TREASURER
Job Title: Information Technology Analyst 3 (ITA 3)

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE END OF THE DOCUMENT!

Open To: Candidates on the current ITA 3 examination list or State employees currently holding the above title or those who have previously attained permanent status may apply for lateral transfer.

Location: 55 Elm Street, Hartford, CT 06106

Job Posting No: 11209

Hours: 8:00 AM to 4:30 PM (1st shift)

Annual Salary: \$76,409 to \$98,162 (EU-30) - (new hires to State service start at the minimum of the salary range)

Closing Date: February 6, 2015

Examples of Duties:

Plan migrations and conversions of current Access and FoxPro databases into more robust and secure platforms; Lead/mentor developers and share knowledge through presentations; Plan migrations of existing FoxPro database application to a 3rd party software system; Assist in the maintenance and modifications to the agency's website; Maintain existing applications written in MS Access/MS VFP 6 through 9, some of them use a custom written framework; Maintain a new web application written in MS .net using C# and SQL Server; Install and setup MS Visual Studio and SQL Server on a local application server; Migrate existing applications from VFP/Access to .net and SQL Server; Participate in a small, experienced, energetic team on a rapid, agile development schedule.

Knowledge, Skills and Abilities:

Ability to plan, organize, manage and successfully complete complex projects such as migrations, conversions, imaging, applications development, and 3rd party software implementations; Collaborate and cooperate with all disciplines and vendor staff to coordinate and accomplish project objectives; Manage multiple concurrent projects; Develop technical and user documentation, including training materials; Strong knowledge of software implementation best practices; Networking skills; Solid understanding of object-oriented programming (OOP) and computer science foundations, such as memory management and low-level algorithm performance.

General Experience:

Seven (7) years of experience in information technology (IT) operations, programming, systems/software development or another IT related field. Experienced .Net developer .NET / ASP.NET / VB.NET / SQL Server 2008 preferred.

Special Experience:

One (1) year of the General Experience must have been at the full professional working level with responsibility for performing a full range of complex technical support functions in one of the following areas:

1. Assisting in the design, implementation and management of a major communications network.
2. Providing technical and administrative support for a wide area network (WAN) or mini-computer system.
3. Assisting in the installation and maintenance of major sub-systems or installing and maintaining other host and/or network software.
4. Participating in the design and development of system applications.
5. Serving as a project coordinator responsible for coordinating the design, development, programming and implementation of moderately complex information systems projects.

Note: For state employees this is interpreted at the level of Information Technology Analyst 2.

Substitutions Allowed:

1. College training in management information systems, computer science or information technology related area may be substituted for the General Experience on the basis of fifteen (15) semester hours equaling six (6) months of experience to a maximum of four (4) years for a Bachelor's degree.
2. A Master's degree in management information systems, computer science or electrical engineering may be substituted for one (1) additional year of the General Experience.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Interested and qualified candidates who meet the above requirements should submit a cover letter, resume, last two (2) service ratings (if State employee), two (2) professional letters of reference, letter from DAS with exam score, and an Application for Employment (CT-HR-12) with job posting number included to:
