

DENISE L. NAPPIER  
TREASURER

**State of Connecticut**  
Office of the Treasurer

July 1, 2015

The Honorable Dannel P. Malloy  
Governor, State of Connecticut  
State Capitol Building  
Hartford, Connecticut 06106

Dear Governor Malloy,

Enclosed you will find the *Annual Report of the Financial Condition of the Second Injury Fund* as required by Section 31-349f of the Connecticut General Statutes.

The Second Injury Fund (hereinafter referred to as the "Fund") continues to be financially stable, and has achieved noteworthy accomplishments during Fiscal Year 2015, including:

- On May 1, 2015, I announced the assessment rate for insured employers will remain at 2.75%, and for self-insured employers the rate will stay at 3.25% effective July 1. This announcement marked the seventeenth year the Fund has either reduced or maintained assessment rates on businesses – representing the longest period of time without a rate increase in the history of the Fund.
- A reduction in the Fund's long-term unfunded liability by 54% - from \$838 million in 1999 to \$386 million.
- Estimated savings of \$1.2 million in medical costs, which will reduce the long term financial burden on Connecticut businesses.

These achievements are the result of a strong commitment to prudent fiscal policies which produced savings that have been passed along to Connecticut businesses without compromising any benefits due to injured workers.

If you have any questions concerning the financial condition of the Fund, please feel free to call on me or Assistant Deputy Treasurer Maria M. Greenslade at (860) 702-3125.

Sincerely,

A handwritten signature in cursive script that reads "Denise".

Denise L. Nappier  
State Treasurer

Honorable Dannel P. Malloy
