Dear Mesdames and Messrs.:

Pursuant to C.G.S. Section 3-37(b), please find attached the monthly report for August 2012, which provides certain information regarding the State's cash position and bonding.

The report for August 2012 reflects an adequate overall cash balance. There were no transfers between the common cash pool and bond proceeds during August or September 2012.

While the common cash pool remains significantly behind levels of a year ago, we continue to anticipate being able to manage the State's cash flow requirements by use of the State's total available cash. We are, however, closely monitoring the state budget situation and its impact on the State's cash position, particularly on light of the recent FY2013 deficit estimate of \$26 million by the Office of Policy and Management.

I will keep you updated as the fiscal year develops. In the meantime, should you have any questions, please feel free to call on me.

Sincerely,

A handwritten signature in cursive script that reads "Denise L. Nappier".

Denise L. Nappier
State Treasurer
